

**The EVENT**  
**Better Living in Portugal (BLiP Expo)**  
**Backin' Business**

Since 2001 the Better Living in Portugal Exhibition, or 'BLiP Expo' has been an opportunity for businesses to promote their goods and services to foreign residents in the Algarve all in one weekend. For the last two years, due to the restrictions caused by the COVID pandemic, BLiP Expo was held as an on-line event via the BLiP website. We are delighted to announce that BLiP returns to the Portimão Arena in October for a physical event.

Each year we are pleased to welcome many new exhibitors from both the foreign and Portuguese communities. This mix has elevated BLiP Expo from its position as a foreign business fair, to a genuine exhibition of all that makes for a better life in Portugal. The many thousands of visitors to BLiP enjoy free entry to this annual event, putting you in front of them and also providing an excellent networking opportunity for exhibitors.

In 2022 we continue to welcome new exhibitors from both of these communities and also encourage the smaller businesses to be part of the largest Business Expo of its kind in the region. With the energy that is created by this mix of large and small, foreign and Portuguese businesses working together, we expect once again to create a successful exhibition and showcase the business community in the Algarve.

The layout of BLiP makes for an interesting event, not only for visitors but also for the businesses that take part.

If you have an interest in creating new business, you need to be at BLiP Expo 2022.

**Become a BLiP exhibitor and your business will see the benefit!**
